Mr. Vane,

I wanted to bring it to your attention that the yard signs for City County Council District 5 candidate, Mark Sullivan, do not have the required disclosure prominently displayed designating who is paying for these campaign materials.

It is my understanding that without this disclosure properly displayed, it is in violation of election law. I realize there are several signs carrying Mr. Sullivan's name. The one to which I am referring is the white sign carrying Mr. Sullivan's name along with a shamrock insignia along with a campaign slogan printed. It is not the one that has his name displayed with the Mayor.

Thank you for your prompt attention to this election matter. Thank you also, for your service to our community overseeing our election process.

Sincerely,

Michael A. Evans
